

Support Environmental Education in County Parks

*Give more back to
your community!*

By shopping at Ralph's and registering your Ralph's shopper card with County Parks, ***a portion of what you spend on every shopping trip will be dedicated to funding and expanding the County Parks and Recreation's outdoor education program*** for students between the ages of 5-18.

With your support, children will have an opportunity to learn with hands-on activities in an outdoor classroom. It's simple to help and free to sign up. Just follow these steps!

1. Go to **Ralphs.com** and click on the **"create an account"** link in the upper right. (Ralph's Reward card holders can go to step 3.)
2. Complete the registration and activation process using your Ralph's Rewards Card # or Alternate ID (your phone #).
3. Log into your Ralph's Rewards account. Click on the **"Community Contribution"** tab and enter **"93787."**

Thanks for your support!
